Dear Project Leaders:

In preparation for the October planning meeting, I need your help with pulling together one piece of information related to our current projects. For each of your current projects, I need you to assign it a percentage that reflects how much of the project's work has been completed to date (e.g., 25%, 50%, 75%, 100%). We will be using this information during the prioritization discussions on the last day of the meeting. **Please respond no later than Monday, October 1.**

A copy of the current project list sorted by project leader is attached. Let me know if questions.

Thanks,
Valerie

Barbara: Please coordinate this information for the INBIFO/CRC projects. Thanks.
